A DEAF MUTE preacher preached to a congregation of thirty deaf mutes at Louisville Sunday. The congregation appeared to enjoy all of the exercises but taking up of the collection.

MAYSICK precinct, in Mason county, has voted a tax of twenty-five on the \$100 for school purposes. A good example, which should be followed by all the precincts in the State needing school houses.

DENNIS KEARNEY feels that he has been snubbed in New York and has hired a hall. Himself and Logan McKee ought to go to work and kick the United States to death right before its face since they have both been badly snubbed.

A COMMITTEE and two special cars will be sent out to Washington by the city of Louisville to bring the President to the Exposition as a drawing quantity. This reminds us of the city of Paris sending Judge Turney and John T. Hinton to Covington to bring up the machine shops in their pockets.

GEN. EDWARD ORD, of the United States Army, died with yellow fever, at Havana, at 7 o'clock Sunday evening. He was enroute to New York from Vera Cruz, and was taken ill on reaching Havana. Gen. Ord served creditably during the late war, and after its conclusion was on duty in several of the Southern States.

The Rev. Mr. Tunnison, of Covington, who preferred the serious charge against the Rev. J. M. Bent, of this place, was a former partner in his shoe business in Covington, and was sued for a settlement when the firm sold out to N. O. Brooks.

Mrs. Prof. J. Roland Day returned here from Salysville, Wednesday, to spend several weeks. Her husband accepted a situation as traveling agent for the Cincinnati News-Journal and will travel during vacation and will return to his school in Salysville in the fall.

SINCE the Rev. James M. Bent has gone into the snubbing business, we warn the press of the State to take time by the forely and not extend the hand of friendship in cordial greeting. He is one of those diminutive fellows that doesn't appear to understand that it is the duty of newspaper men to publish the news, whether created by friend or foe. As a snubber, we suggest that the Rev. Bent, seek the company of President Arthur, the national snubber, and organize a regular little snubbing association.

THE Lord did not bless the little shoe store in Covington owned by the Reverend Bent & Tunnison, in accordance to the advice given Him by the two dear shepherds. It appears to have been an ill-paying investment, and in order to close out the business the Rev. Mr. Bent was forced to take advantage of his dear brother J. G. Smedley, of Millersburg, and seduce his best clerk into buying out the institution, whereby brother Smedley was not warned and was much grieved when the climax burst forth informing him that his clerk must leave. That was not the only feature that showed that the business was run from a strictly carnal standpoint, as the sequel of the final settlement of the affairs will prove.

SEEK

health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't you rather feel fresh and strong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of BROWN'S IRON BITTERS, and taking it regularly according to directions.

Mansfield, Ohio, Nov. 26, 1882.
Gentlemen:—I have suffered with pain in my side and back, and great soreness on my breast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appetite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spleen, but I got no relief. I thought I would try Brown's Iron Bitters; I have now taken one bottle and a half and am about well—pain in side and back all gone—soreness all out of my breast, and I have a good appetite, and am gaining in strength and flesh. It can justly be called the king of medicines.
JOHN K. ALLENDER.

BROWN'S IRON BITTERS is composed of Iron in soluble form; Cinchona the great tonic, together with other standard remedies, making a remarkable non-alcoholic tonic, which will cure Dyspepsia, Indigestion, Malaria, Weakness, and relieve all Lung and Kidney diseases.

TAKE WARNING! HOT WEATHER

IS DOWN UPON US WITH A SWOOP. SWELTERING HUMANITY consults the thermometer and the poor, perspiring mortal greets his totype with the time-worn interrogation, "Hot enough for you?" He fiendishly smiles to himself as he reflects that he has succeeded in making another unhappy victim to "Old Sol's" rays somewhat warmer more uncomfortable.

NOW, THEREFORE, instead of consulting the thermometer, come once and interview US, and feel yourself a new man by donning some of our light, cool summer garments, and also REMEMBER THAT OUR LOW SCALE OF PRICES STILL HOLDS GOOD. OUR GREAT MOUNTAIN DOWN SALE STILL CONTINUES. The world revolves on its axis; sensible, careful buyers come to headquarters for a good article at a price.
